**NEW ADULT BIBLE STUDY FOR THE NEW YEAR
"WALKING WITH THE APOSTLES; WHAT WE BELIEVE AND WHY
THE APOSTLES' CREED"**

We just began a new Bible Study during our Bible Study Hour for adults and youth. This study will be looking at the foundations and roots of our faith, as we study the Apostles' Creed, which we affirm each Communion Sunday.

In order for us to be healthy, growing believers and disciples of Christ, we need to build our spiritual lives on the Lord, who is our Rock, to be rooted and grounded in and on Him. As we study this Confession and its Biblical roots, we will prayerfully ponder how we can build and root our lives and hopes in Him and in His Word.
