The International Order of St. Luke is an ecumenical organization dedicated to the Christian healing ministry with members throughout North American and the world.

**The Bible is full of “hard times,” and how God’s people healed.**

Fr. John Riebe has been an OSL member for 12 years and a Chaplain for 11 of those years. He additionally served as Chaplain to the Sacramento/Foothills Chapter as well as being past OSL Regional Chaplain for Northern California. He has spoken at numerous healing missions throughout California; and is a contributor to OSL’s Sharing Magazine. Fr. John is a trained Spiritual Director and in these capacities, he continues to support various youth and adult renewal ministries.

As a graduate of the Church Divinity School of the Pacific (CDSP) located in Berkeley, California, he received his Masters of Divinity Degree in May 1995. His ordination that year followed a varied and interesting life of education, learning, and military service as a B-52 Radar Navigator for Strategic Air Command.

The Very Rev. N. John Riebe, his formal title, is currently the Rector of All Saints’ Anglican Church in Bakersfield, CA; and he is the Rural Dean of the Kern Deanery (Kern County) of the Anglican Diocese of San Joaquin. He has served the Episcopal Diocese of Northern California and Dallas, Texas.

His greatest blessings however, are his love for Jesus Christ, the love of his wife, Kathie, and two children, Jillian and Matthew.

Convener’s Corner  
*In His Footsteps*

by *Elba White*

I believe our mission as members of the Order of St. Luke is to spread the Good News of Jesus and his healing. To that end, as your Convener, I call on you to join me in an exciting program to carry the message of Kingdom Healing to a hurting world.

The Rev. Mike Endicott, a guest leader at OSL International 2010, and founder of the inter-denominational Order of Jacob’s Well in Wales, has produced a six-DVD series, “In His Footsteps”. By way of this series, we will rediscover the blessed gifts of healing promised to us in the Bible, while rediscovering God’s grace for ourselves, and showing others how to step into that river of God’s healing grace.

“Footsteps” will be presented throughout the OSL community: north, south, east, and west...from Roseville to Folsom to Elk Grove to Davis to Woodland and Sacramento at the hub...if YOU are willing.

Please let me know if your church would like to be one of the hosts so we may move forward with secured sites and calendar dates. We will then publicize the event throughout the area.

I ask YOUR help in moving out into our communities with this “Good News,” by joining me on the OSL Board and sharing your talents throughout the coming year.

*Let us join in sharing the Apostles extraordinary and effective healing ministry...the one they learned from Christ himself!*
